## Designed to endure

SUMMER

EU-APPROVED

VAN

- Latest design features ensure durability, low noise and reduced fuel consumption.
- Optimal combination of low rolling resistance and high grip on wet and dry surfaces.
- Aggressively styled pattern grooves help enhance grip in all weather.
- Optimized center block design and strong shoulders provide better impact distribution and increase traction when heavily loaded.
- Stronger sidewalls ensure even performance for both light and heavy loads.
- Perfect mix of durability, comfort, and road performance.
- Updated design optimizes grip and increases safety.
