WINTERSAFE X2

Winter passenger car tires

- WINTER
- EU APPROVED
- M+S MUD & SNOW
- PCR
- 3PMSF

- Symmetric design for best possible grip on snowy and icy surfaces
- Overlapping tread blocks ensure lower noise and a stable ride
- V-shaped design ensures fastest possible ejection of snow and slush
- Modern tread compound offers longer tire life and improved grip
- Advanced cross-directional siping ensures best grip in all directions
